

Holistic Empowerment Center

Are you **FREAKING OUT?** Running on **OVERLOAD** or maybe **uncomfortable** in your own skin? Spend the day with Colleen and Eric, and you will leave with a **happier**, more **energy-fueled** version of you. **The Sampler!**

Our Promise: By the end of the day, you will have a better understanding of the workings of your subconscious mind. You will: • Know how your mind works • Learn to communicate to your mind • Learn how to align your conscious desire with your subconscious motivation
